

SUBMIT YOUR INQUIRY

Our quick online form for any project. Takes about 3 minutes start to finish.

- 1 Tell us who you are**
Drop your name, email, AND phone. We email your proposal AND text it — that's why we need both.
- 2 Pick your deadline**
Normal Timetable for the best price. Faster options cost more. Pick whichever fits.
- 3 Pick a garment type and style #**
Tap T-Shirts, Hoodies, Headwear, etc. Type the style number (like PC54) if you know it. If you don't, tap "I Don't Know My Style #" — we'll show wholesaler links filtered to that category.
- 4 Color, sizes, placement**
Pick the color, type sizes + quantities, then pick where the design goes (Front / Back / Sleeve). Add multiple styles if needed.
- 5 Decoration + artwork**
Per placement, pick Printing or Embroidery, then tell us about the artwork: Have it (upload), On file, Needs upgrade, Screenshot only, or None yet. Uploads land in your personal Artwork Library for next time.
- 6 Submit**
Hit Submit. Proposal lands by text + email within a few hours during business days.
