

TURNAROUND TIMES

Most standard orders are ready in about 10–14 business days from approval — roughly two weeks. We order blanks twice a week, so the sooner you approve, the sooner you're in the queue.

The standard promise

- **Standard orders:** about **10–14 business days** from approval to pickup.
- We place wholesaler orders **Monday and Wednesday mornings**. Approve before a window and your blanks ship with that batch — miss it and you roll to the next one.
- **In-stock items** can often wrap faster — we'll tell you on the proposal.
- **High-volume orders** may need extra time — we'll flag it upfront on the proposal.

Tuesday

Wednesday

Thursday
